

Land Use Management and Planning Committee (LUMP)

LUMP Tuesday, January 14th, 2025

- The committee approved a motion to adopt co-chairs. Glenn Johnson was nominated and the committee will attempt to approve Glenn Johnson as co-chair with Anna Scott at the next meeting.
- The committee will wait for recommendations for specific language to potentially add information about EAB mitigation/remediation to the Vegetation Management Plan.
- Committee seeks ongoing participation from staff as well as a second Board member.
- The group will continue to read a committee member's revisions to the Fire/Land Use Plan and discuss potentially adopting revisions.
